This a solid, well-built family fisherman. Easy to
trailer, easy to launch, easy to clean.

The 17 Pro Skiff Center Console is a master of
skinny water, capable on larger bays, and it's great
for just about any lake, river, or bayou as well.

The Advanced Inverted V (AIV) hull provides the
ultimate in smoothness and stability, has a quick
holeshot, a dry ride, and an impressive load-carrying
capacity.

The mechanically and chemically bonded deck and

foam-filled hull become one unitized structure with superior flotation and quiet operation.
