		The keygreat customer
		service. We love the marine
		industry and one of our core
		missions is to help raise the
		customer service bar in this
		industry.
		However, the internet has
		completely transformed the way
		we do business. While
		traditional sales principles still
		very much apply (such as
		building a solid relationship
		with the customer, earning their
		trust, adding value, customer
		qualification, etc), how you get
		there is now very different. It
		used to be that a customer
		valued a solid handshake and an
		honest smile. In a traditional
		face to face environment,
		skilled salespeople could
		qualify a customer based on
		body language, personality
		type, etc. In today's internet
