Great family water sports boat, get out on the lake today,

This 2005 Glastron SX195 is a perfect family watersports boat. With the great spacious layout, you will not feel cramped, and have room to bring along the toys. There is plenty of room to move around, and she has a nice big sundeck.

With the Volvo Penta 5.0 GL V8, she has plenty of get up and go. She can easily get to 45mph and can pull double skiers or tubers all day long. There is a special factory 23\" prop.

She gets up on plane super quick because of the way the boat is designed, with seating closer to the bow. When you check out the engine area, you will see it is super clean.

Some extras the owners are including are: the trailer, a 2nd prop. a custom boat cover, and anchor. There

is also an owner's manual.

You can buy this boat and be out on the water tomorrow!
