Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Family Sporting Boat!

What the owner loves most about this boat is how
effortlessly it pulls skiers, wakeboarders and tubers
while accommodating passengers.

The powerful Mercury Marine EFI six-cylinder,
240-horsepower OptiMax, makes this boat jump
when accelerated.

Along with getting outstanding fuel economy, the
SportJet provides maximum maneuverability in
shallow waters and is uniquely engineered for
unparalleled maneuverability.

You can easily get into areas that other boats can't
and confidently beach the boat every time. With no

prop or skegs, you'll also never have to worry about underwater snags. Jet engines are also very much safer for tow sports enthusiasts, making them very desirable.

The self-draining cooling system also makes this fun, simple yet powerful boat very easy to maintain.

The Tango hull is very popular with a gripping deep-v keel that hugs the water at speed.

The deck layout is roomy and comfortably accommodates two guests in the front and two in the back, along with the captain and co-captain mid-ship.

There is also plenty of below-deck storage in the floor and rear and front hatches.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
