Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

motors with under 150 hours each!

2004 Fountain 31 Sportfish Cuddy powered by Twin
Suzuki 300HP four-stroke engines.

This listing also includes a 2021 Load rite aluminum
tandem axle trailer fitted specifically for this vessel
by the dealer.

This boat appears to be a creampuff. The original
owner used this vessel as his tender to a larger
vessel. The second owner recently purchased to use
as a hybrid cruiser and offshore fishing vessel. The
current owner is heading to a different style vessel.

Features include the ability to cruise the waterways,
fuel-friendly four strokes or jump on the throttle and
run to your favorite fishing spot offshore.

The fountain comes with both a newer cockpit snap cover and also newer enclosure shown in the last few pictures before the vessel was moved down to SC.

The seller has had full service to the engines recently with records for qualified buyers. When engine hours were pulled on the computer on 4/25/2022, they showed 87.6 and seller estimates possibly used 15 more hours since.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
