Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. This vessel was SOLD on August 23.

The Sanger ZX Driver is a unique boat that pays homage to Sanger's boat racing history while also proving to be a truly versatile family boat.

This Sanger is a tournament hull fitted with a proven MerCruiser inboard/outboard drivetrain, resulting in a ski boat that is a lot faster and more fun than a typical inboard ski boat.

This particular example is in much better than expected shape given its age. The gelcoat (paint) shines like a much newer boat and the upholstery is in beautiful condition. The hull shows no evidence of beaching or other damage.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to
