Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Nice Sportfisher with 2006 Yanmar Diesel, great for offshore fishing.

If you are looking for a smaller Sportsfisher with a big deck to catch your daily limits, you have found it with this 1988 Champion 26 Fish Hunter.

Champion Boats are a proven manufacturer of smaller fresh and saltwater boats. The Fish Hunter model was Champion's entry to parallel the successful design of a Blackman or Luhrs fishing boat.

This Fish Hunter can accommodate the primary goals of any avid fisherman with this low-profile design and a large open deck to allow angling attack for your catch on all sides.

Large live bait well and below deck fish holds for your catch.

Below deck has a head with a shower, a small galley with a dinette that converts to a bed. Forward is a v-berth to accommodate 2-persons.

Bridge and helm are ideal for the Captain to keep watch for fish and a good eye on anglers reeling in their catch.

Anchor and windlass are ideal when coming into the shallows to drop the hook for rockfish or catch live bait.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
