Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Description: Stock #281267 -

This vessel was SOLD on August 23.

This 1997 Pro-Line 2950 Mid Cabin fishing boat is in very nice condition. It is easily one of the most popular express fishing boats her size ever produced. Hundreds were sold in the 1990s, and they remain popular on the used market today.

The 2950 is a roomy boat thanks to her wide 10'10" beam, but what really made her different was the mid-cabin layout, something rarely seen in a boat designed for fishing.

There is a hardtop, radar, two gps chart plotters, a vhf radio and a stereo.

The roomy mid-cabin interior sleeps four and includes an enclosed head shower, full-service galley and convertible dinette V-berth forward

Powered by twin 5.7 Mercruiser stern-drive engines, the 2950's large cockpit and roomy helm deck can accommodate a small crowd.

Also, note that wood-free construction began in 1995. So no wood, no rot!
