Including Mercury Racing 600 SCI w/ Stage 2
Whipple Upgrade!

Have a need for speed but with amenities such as shore power and air conditioning? Do not pass over this Velocity 290 SC with lots of options and upgraded Mercury Racing 600 SCI Engine with the Stage 2 Whipple Upgrade!

This 290 SC originally came with the Merc Racing 525, which was rare and means it got all the bells and whistles such as shore power, a/c, through hull water intake for running when out of water and much more.

The current owner purchased in 2022 and along with the engine upgrade had all of the exterior upholstery re-done, a new vinyl wrap installed as well as new

Kicker stereo equipment.

The engine was converted from a 10 pin to a 14 pin and is compatible with the SmartCraft gauge system.
