Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

REASONABLE OFFERS
CONSIDERED!Freshwater-used only, stored
covered, trailer included, recently serviced

This 2011 Crownline 185 SS is an 18' bowrider
located in New Hope, AR.

If you are looking for a low-hour, well-maintained
boat, this is a worthy consideration. With only 94
total hours on the boat as of 05/24/2023, this boat
has tons of life left in her according to the seller.

Powered by a Mercruiser 4.3 liter engine and mated
to a Mercruiser Alpha One outdrive, you have plenty
of fuel-efficient power to get you across the lake or
pull water toys for fun on the water.

The swim platform with the swim ladder makes
boarding the boat from the water easy and also gives

great access to the rear sun pad for basking in the sunlight when relaxing on the water.

A Memphis Audio head unit powering Kicker speakers makes a great sound on the water and the included wake tower really adds to the look and utility of the boat.

If the open water is calling your name and Crownline quality is your standard, this 185 SS is the boat for you!
