Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Low hours, dual motors, mostly freshwater use. Best available!

Such a fun boat! Spacious design inside and a very roomy deck layout. Spent most of her life up north on freshwater and was moved down to Florida in 2019 and lift kept and flushed after each use.

Powered by dual 5.7L Mercruiser Bluewater Series inboard motors.

The electronics have been updated and include two Simrad NSS9 color screens linked to GPS, amazing 3D sonar and Simrad 4G broadband, low power consumption high-resolution RADAR. There is an awesome stereo system too! When cruising at night there are two adjustable spotlights on the top of the arch and a remote-operated spotlight on the bow.

On deck, the rear seats fold down so this has the perfect setup for fishing days or just cruising days.

There is a cockpit cover and a full enclosure with isinglass.

Down below, the cabin has a 4-seat dinette, galley, port side sofa, and a large bed forward. The onboard head also doubles as an interior shower so can live full-time or just enjoy all creature comforts on overnight trips.
