The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Sun Tracker 24' Party Barge Low Hours 2020
Yamaha 4 stroke outboard

This 1990 Suntracker Party Barge is a 24' pontoon boat located in Chandler, Texas.

Don't let its age fool you! This boat is in great condition and was recently repowered with a 2020 Yamaha 4-stroke outboard engine and the seller states the hours are very low on this newer engine.

Lots of room onboard and you will enjoy the upholstery as it is in great condition and has been replaced in recent years as well.

A bimini top to shade you when on the water is included and in good condition, as the boat is always stored on a boat lift out of the weather on a freshwater lake.

The seller has also installed led lighting on the boat

to make those evening cruises a great atmosphere and with seating up to 14, the whole crew can tag along!
