Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Description: Stock #330954 -

The Carver 32 Mariner features a step-down cabin, floorplan that provides a spacious, comfortable cruising environment.

This 1987 Carver Mariner 3297 is a 32' motor yacht located in Rockwall, Texas.

If you are looking for a terrific boat to entertain with or enjoy quiet evenings on the lake in your favorite cove or simply relax at the dock, this is a great setup to do that with and at a price that will be hard to beat.

Powered by Twin Crusader 270 V8 inboard engines in a V-Drive setup, this boat still runs great, according to the seller, and the low-hour gas generator is still running strong as well.

There is great sleeping capacity inside as the dinette

converts to a double berth in the main salon, as well as a convertible sleeper sofa and a nice separate forward stateroom that gives you private access to the spacious bathroom that includes a new head.

A fully equipped and spacious galley kitchen makes meal prep an easy task, and the beautiful original teak wood inside the cabin has been well-maintained and oiled over the years.

Outside, you will find an easy-to-access flybridge with plenty of seating and a full canvas snap-on cover in great condition.

The helm controls are laid out for easy use and are all still in good condition

There is a full zip enclosure that is fairly new and the seller states the isinglass is clear and in great shape.

Access to the boat from the swim platform is easy with a mid-located transom door.

The same marine mechanic has regularly maintained this boat for many years, and the seller has many records that can be supplied with an offer.

According to the seller, the boat has always been a freshwater boat spending the first part of its life on Lake Texoma before being moved to Lake Ray Hubbard about 12 years ago.
