Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Are you in the market for an amazing boat that
offers the perfect combination of comfort, style, and
performance? Look no further than the 2008
Glastron GXL Ski and Fish.

With its spacious and comfortable interior, this boat
is perfect for both day trips and longer excursions on
the water. The plush seating is supportive and
comfortable, ensuring that you and your passengers
will always be able to relax and enjoy your time
onboard. And with plenty of storage space for all of
your gear and supplies, you'll have everything you
need right at your fingertips.

But what sets the Glastron GXL apart from other
boats on the market is its impressive performance
capabilities. Powered by a reliable and efficient 270

horsepower Volvo Penta engine, this boat can easily handle even the most challenging watersports activities. Whether you're into skiing, wakeboarding, or cruising around the lake, the Glastron GXL will surely impress.

And with its freshwater use only and extremely low confirmed hours on the engine, you can rest assured that this boat is in excellent condition, according to the seller and ready to provide years of enjoyment for you and your family.

In fact, it's hard to find a used boat of this caliber and condition anywhere.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [WhereFreedomTakesYou \[dot\] com](http://WhereFreedomTakesYou.com) to learn more.
