Ready to hit the water and fish just about anywhere?  
This 2015 Yellowfin 17' Skiff is for you!!

The 70hp Mercury will get you where you want to  
go. And get you there fast! The smaller engine has  
plenty of power to handle this smaller skiff. Fish the  
bays, fish the flats. The shallow draft allows you to  
go anywhere!

Plenty of dry storage, wells for the day's catch, and  
rod holders allow a crew of three to enjoy the day on  
the water. The trolling motor keeps things quiet  
while you get the boat through the canals and sneak

up on the unexpected catch.

Truly is a boat that is fast, easy to handle and even easier to maneuver through the backcountry rivers and flats.
