Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Low hours, powered by a Mercury 150 HP engine, trailer included, must see!

This impressive runabout is designed with performance in mind, setting a standard for bowrider design. One cannot help but be captivated by the GX 190's spacious interior as they approach the boat. Glastron has gone above and beyond with this model, extending the beam, the width of the swim platform, and most notably, the cockpit length, surpassing their previous models in terms of space and comfort.

The increased beam of the GX 190 delivers a more stable and balanced ride, allowing passengers to confidently navigate the waters. The wider swim platform offers ample space for sunbathing, swimming, and easy access in and out of the boat. With its extended cockpit length, the GX 190 provides an enhanced seating area, accommodating more passengers and ensuring everyone can relax

and enjoy the ride.

Powered by a Mercury 150 HP engine, this bowrider delivers exhilarating speed and agility on the water. Whether you're cruising along the coast or engaging in water sports activities, the GX 190 is equipped to provide an unforgettable experience.
