Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Well maintained 1989 Sea Ray 340 Express! Ready to hit the water!

The Sea Ray 340 was one of Sea Ray's most popular models during the 1980s. The spacious interior is one of her chief attributes.

This is a very comfortable boat. Whether you're looking for a weekend cruiser or for longer stays on the water, this Sea Ray is for you. The large U-shaped galley is perfect for meal prep.

Combined with the double berth forward and the large convertible dinette, you'll have plenty of room for the entire crew. She'll sleep four if need be.

The head is not cramped and the pull-out faucet doubles as a showerhead.

Topside, the 340's cockpit includes the double-wide helm seat and a removable bench seat at the

transom. That means a great amount of room when it's time to wet a line to catch dinner.

The helm is well laid out, making driving the boat a breeze, and with the good visibility, you'll love every minute behind the wheel. The Garmin GPSmap 7610xsv is a fishfinder/GPS/plotter with Radar.

The Twin 7.4L Mercruisers with direct drives will cruise the boat around 22 knots, with a top speed of around 30 knots.
