Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Aluminum Hull. Project boat. PRICED TO SELL, New engines ready to go in.

This 1980 Marinette is destined to be a classic! All she needs is some TLC from her next owner. These boats have a loyal following and a healthy exchange of maintenance and care in online boat forums.

Once restored, this boat will perfect for long cruises and weekend getaways. Or surround yourself with family and friends for a sunset cruise.

Her layout makes her suitable for fishing as well! The 11' beam gives you a roomy cockpit for fishermen (or fisherwomen!). There is lots of space for all of your fishing tackle, and rod holders and rocket launchers, too. You can operate her from the flybridge to get the best views of birds and bait. The V Berth, dinette, head and shower make this boat perfect for overnight fishing trips.

Don't miss out on this one. With a little TLC this can be a real nice fishing boat, family boat or cruiser.
