Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Albin 43 Sundeck - diesel power, loads of room

This is a 1986 Albin 43 Sundeck located in Rhode Island. She has the classic trawler profile, a traditional teak interior, and fuel-efficient operation.

This boat has a unique 2 stateroom design nicely integrated with the galley-down layout. She has teak and holly soles throughout, which are in good condition

Her spacious main salon is bright and well ventilated.. The salon has sliding deck doors to both starboard and port and features a sleeper sofa and entertainment center with TV.

Aft of the salon is the owner's stateroom with centerline queen bed, a large head with tub/shower and abundant storage throughout.

Forward of the salon and down 3 steps you'll find a dinette to port and a galley to starboard. The galley

includes double stainless sinks, an electric stove with oven and a near full size fridge - freezer. There is also ample counter and cabinet space.

All the way forward is another cabin that has a traditional V- berth and plenty of storage. The second head is just aft of this forward cabin.

There are two large seating areas outside of the cabin. The sundeck all the way aft is covered by a hard top and has room for dining and lounge chairs.

The raised bridge deck features front to back passenger seats and a centerline pedestal seat forward at the helm. New canvas and upholstery is on order and will be installed shortly.

These trawlers are reported to cruise economically at 10 - 11 knots with their dual 210 hp Cummins diesels. Her top speed is ~14 knots.
