Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

LAYOUT, PERFECT FOR ENTERTAINING
FAMILY AND FRIENDS

Experience Luxury on the Water with the 1998
Bayliner 3788 Fly-Bridge Motor Yacht!

Step aboard this remarkable vessel and prepare to be amazed by its \"galley up\" design, ensuring that your indoor living area is positioned above the waterline for breathtaking panoramic views. The open and airy main salon, galley, and lower helm are adorned with windows all around, inviting natural light and a sense of spaciousness into your surroundings.

Below deck, towards the bow, you'll discover two

comfortable sleeping berths, offering a cozy retreat for you and your guests. The main head features a convenient shower and toilet, with the added bonus of a separate sink in the second berth. It's a layout designed for convenience and comfort, ensuring that everyone on board feels right at home.

On the aft deck, you'll find a generously sized cockpit area that easily accommodates a small table and chairs, creating the perfect space for al fresco dining or relaxing under the open sky. As you ascend to the fly bridge, you'll be greeted by two captain's chairs and new bench seating, providing a superb vantage point for commanding the vessel. Additionally, the area above the hard cockpit top offers ample storage for your toys, fishing gear, and more, making every adventure aboard this yacht a breeze.

The exceptional layout of the 3788 creates an atmosphere that feels larger than its typical 37-foot size. The salon space and up galley combine to create a welcoming living area that is perfect for socializing, entertaining, or simply unwinding after a day on the water.

The seller has added many replacements and upgrades that include newer house and port engine starter batteries, new air / pre-heaters on both engines as well as new alternators. You'll enjoy the super comfortable new custom mattress in the master berth. The trim tabs were replaced last fall along with the impellers. Set the tone with the upgraded sound system on the Fly Bridge that includes a Fusion Receiver and Sony Speakers.

Powered by twin Cummins diesel engines 250 HP engines, this yacht ensures smooth performance on your voyage. Both engines boast low hours, with the port engine having approximately 500 hours and the starboard engine a mere 160 hours. Experience the joy of seamless starts and flawless operation as you explore the Puget Sound and beyond!
