Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Professionally maintained! Great liveaboard! See Long Island Sound and surroundings in this boat!

The Fair Haven is in fine condition. She's had several upgrades and is extremely affordable. This 31' model is very popular and a safe and secure vessel.

With accommodation for 4, there's plenty of room for family fun and fishing aboard the Fair Haven. The interior is large, bright, airy, and fitted with a lower helm for foul-weather comfort and convenience.

A generous settee on the port side will comfortably sit 3 and folds out to a double berth. Beneath the settee is a folding table seating 4-6, which can be set up in either the cabin or the cockpit.

One step below the salon sole and to port is the L-Shaped galley. Well-appointed with a stove, sink and electric refrigerator, there is abundant counter space with built-in storage for dishes, supplies, and dinnerware.

The V-Berth has a very comfortable double bed underneath storage and shelves along the hull. Just outside the V berth is a hanging locker.

The head, which is large for a boat this size, features a porta-potty; a fully enclosed shower with seat and teak flooring; and vanity and wash basin.
