Description

Stock #378375 - Lightly used Robalo R230! Low hours! Super clean! This fishing machine is loaded with a 250 HP Yamaha engine! The Robalo R230 is the perfect center console boat for anglers and boaters alike. With its Hydro Lift multi-angle hull design, fold-down aft seating, built-in 25-gallon bait tank, and comfortable, yet functional bow section, the R230 is ready to take on your fishing adventures. With a passenger rating of 12, the Robalo is great for family outings as well as fishing trips. Besides all the seating options, there's also an enclosed head with a porta-potty that's never been used. At the helm, the 9\" Garmin GPS-chartplotter-fishfinder is an awesome way to find and stay on the fish, and the Yamaha gauge will keep you fully updated on the boat's systems. The Yamaha 250 VMAX SHO is the newer version that puts out 40% more charging power, so you'll be able to add on all the electronics you wish and be able to keep the batteries easily charged. When you're ready to fish, both the bow and with the stern seats down offer even more room for your anglers during a hot bite. Get ready for winter fishing, or snag this Robalo before spring.
