Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

Dont miss this opportunity to own a MacGregor 26X
with trailer !

** Freshwater Boat
** Tohatsu 20 HP outboard
** Trailer included

Great price for a complete boat, ready to sail,
including sails and trailer.

It offers good power performance without
compromising sailing performance. You can have
the peace and quiet of sailing or the fun of powering
around the water too !

Quick, stable and responsive, the MacGregor 26X is the fastest and best handling of any of the trailerable cruising sailboats.

It is easy to sail, and easy to trailer to your favorite sailing waters. You don't need an expensive mooring. It can be stored on its trailer, launched at any ramp, and rigged in just minutes.

Unlike any other boat, it opens up a world of endless variety - sailing, swimming, fishing, diving, water skiing or just fooling around on the water. Its high speed under power lets you get to cruising waters that are out of reach for a conventional six mph sailboat.
