Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

speakers!

This boat is ready to enjoy a day on the water. It
seats up to 10 passengers. This is a great boat for
cruising around or hitting the sandbar. There is also
a live well if you want to do some fishing.

The bow has seating for several people to enjoy the
views. There are cup holders, speakers and a beach
ladder.

The walk-thru windshield adds wind protection for
the cockpit. The large bimini top covers the cockpit
from the sun and rain. The captain has a comfortable
swivel seat, a gps to plot the way and a nice helm.
The reliable Yamaha 115 horsepower 4 stroke is fuel
efficient. The boat also comes with a spare prop.

The boat has two batteries and a battery tender. You can listen to music all day and have plenty of power remaining.

Plenty of storage is under the seats, in deck and in the consoles. There is a cockpit table that mounts to the deck.

A swim ladder on the platform and a freshwater shower to rinse off.

The boat was bottom painted about a year ago with high quality paint.

*****CONDITION OF VESSEL*****

The boat was clean and looks presentable. The covers, and top look bright red. The gel coat could use a wax job, the hull sides are slightly oxidized. The cushions have mildew stains and some split seams.

The engine has wear and tear from the Florida sun, but the seller states it runs great.
