Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

This Century center console is great choice for some offshore adventures, cruising or hanging out at the sandbar.

The boat was repowered with 2011 Suzuki 250 horsepower engines. They have been well maintained and have been very reliable. The Suzuki LCD display shows all of the engine functions.

The helm was updated with a new black face plate for the flush mounted electronics. Electronics consist of dual Garmin MFDs, a powerful transducer in a sounder box, VHF, and a powerful sound system. The boat also has Lenco trim tabs and a Lewmar

windlass.

This boat is well equipped for fishing. There are Taco swivel outriggers, gunnel mounted rod holders and rocket launchers. In the transom there is a massive live well and sink. Two large fish boxes are in the deck and two in deck boxes for storage.

The boat is very comfortable for cruising. The soft deck material feel great, adds safety and looks great. There is a full set of cushions for comfort. The boat has a huge extendable sunshade that covers the cockpit. There is a head in the large console. There is plenty of storage inside with the large compartment forward of the head.

The boat has LED accent lights in the cockpit, underwater LED lights and massive LED light bar on the top.
