The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. LIKE NEW MASTERCRAFT NXT22, super low hours, seats 14, ready to go!

Here is a great opportunity to own a 2021 Mastercraft NXT22. Very lightly used, it only has 13 hours on the engine (owner has too many toys, this one isn't being used).

Mastercraft is the premier wakeboard/surf boat manufacturer; they make the best boats with the best resale values in the industry. The NXT22 is powered by a Ilmor 6.0L engine with 373 horsepower. It seats up to 14 persons in a U-shaped layout with bow seating. This boat is roomy for a 22 footer with tons of storage.

An outstanding wake and surf boat, it weighs 4300 pounds and carries up to 3000 pounds of ballast (including the aft ballast bags). Complete with a wakeboard tower and racks, it has two tower

mounted speakers.

Package includes a full boat cover with built-in tigheners. Always stored under cover, the boat gel coat gleams and the interior is like new. This boat has to be seen. Come to Sacramento CA and see it for yourself.

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](#) to learn more.
