Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

1989 BAYLINER 3288 MOTORYACHT WITH
NUMEROUS UPDATES!

This 1989 Bayliner 3288 Motoryacht has a very clean look, with a generous cabin layout and open aft deck area. Her 11' 6" Beam gives her plenty of room throughout and with her upper and lower helm stations, she is easy to handle no matter what the weather.

She is fully equipped with Marine Air A/C units, a Next Generation 3.5 Kw diesel generator, and is powered by Twin Hino 4-cylinder turbo diesel Inboards of 135 hp each. She also has a closed water cooling system so you don't have to worry about flushing the motors after each use, although the seller devised a good system for flushing it should you choose to do so.

You'll appreciate the great cabin layout with plenty

of seating, a full galley, a head with shower, and 3 sleeping areas, a V-Berth up front and a full-sized queen bed aft, and the settee folds down for a third sleeping area.

There is a Mantus anchor with about a hundred fifty feet of chain, and also a Danforth anchor with chain and rope.

There's even a Webasco diesel furnace should you need one, that runs off of the engine heat.

The seller is including many extra parts for the boat such as impellers, pumps, rod holders, and some generator parts.

Come see this one for yourself today, she is well-maintained and ready to go!
