Description

Stock #375000 - A great boat, tons of updates, lower hours and trailer included. Fun on the water and easy to operate. This is a great fishing and cruising boat with nice shade under the T-top, onboard livewell, a good amount of seating and storage. Outriggers too! Powered by a 200 horsepower Evinrude E-TEC outboard which provides great power and torque. The seller recently installed a Simrad Go9 fishfinder and GPS screen which is also networked with NMEA 2000 system so can get engine info directly on the Simrad screen. They recently replaced the trim tabs and also installed a stereo system with 6 speakers and a 10 inch subwoofer powered by a 1000 watt amplifier. There are recently installed LED navigation lights, side lights, a spreader and spotlight. Peace of mind with dual batteries and there is even an onboard charger.
