Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Very Highly Sought After Model Boston Whaler
Montauk 170! Outboard Engine! Powered by a
4-Stroke Mercury

Well-kept Boston Whaler Montauk 170 is Ideal for
either fishing or pleasure cruises. Great Boat!

The seller is the original owner and has the boat
regularly serviced annually. The photos of the boat
out of the water are from the most recent service
done on 12/5/23.

~Bay Star outboard hydraulic steering!

Approaching the boat you notice that the Montauk
design doesn't look like a 17-foot boat but more like
a larger model due to the wide bow that
accommodates seating for several and more spaces
from which to fish than in a traditional bow design.

You also quickly notice the elevated leaning post and the live well at the transom. While many Montauks are runabouts, pleasure craft, or tenders, this is a serious fishing machine as well.

The other thing you quickly notice is the big fuel tank under the helm seat. With a 90 HP Mercury 4-stroke sipping at the fuel tank, you can go a long, long way. finding your favorite fishing spot or just cruising the waters.

This Whaler comes with Garmin electronics!

No trailer is included and no slip is available with the purchase of this boat. You will need a place to take the boat when purchased.
