Additional information

Description

Stock #401422 - ***SALE PENDING*** WELL APPOINTED AND MAINTAINED!! A REAL BEAUTY!! READY FOR THE WATER!! Looking for a Beneteau Oceanis 281 - this is a rare opportunity to find a well cared for Oceanis 281 that is in very good condition for her years. The well-appointed and maintained 28 foot Beneteau is equipped with a Yanmar 18 hp Diesel engine and has Doyle mainsail and roller furl jib sails and is rigged for single sailor sailing. The running gear and lines were all replaced in 2023. The boat is equipped with the Benetenau raked stern and inverse transom that makes it easy to go for a swim on the lake and reentry is quick and easy via the drop-down swim ladder and the pull-up helm seat provides easy and quick access to the transom area. The aft cockpit has plenty of seating around the large stainless steel wheel that is equipped with navigation devices (large compass, speed, and depth gauges). The hatch and sliding cover keep the cabin below warm and dry on a windy day, or you can open them up and enjoy the breeze with the vents in front of the main mast and the porthole windows on both sides of the cabin area. Down below the beautiful woodwork has been well maintained and literally glows when you enter - the galley is equipped with a 2 burner alcohol stove, a sink, and a cold storage cabinet. The cabin is equipped with a Furion Stereo system and speakers throughout the vessel, a VHF radio, and plenty of storage space throughout the vessel. The head is on the starboard side and the entry into the aft cabin is on the port side. The Yanmar Diesel engine is beneath the companionway steps and is easily accessed by releasing 3 quick locks and moving the steps aside. The engine battery is new in 2023 and the engine has been serviced in 2023. There is a second battery for house functions under the galley sink. The marine head has never been used by the current owner - and he does not know the capacity of the holding tank. Sail Inventory - Doyle Mainsail and Furling Jib Sail - sail bags are in the cabinet below the stove. All of the cushions and woodwork are in lovely condition above and below deck. Don't hesitate to call me to inquire about this beauty or to schedule an appointment to see it in person - you won't be disappointed! We are looking for

people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit Careeers [dot] PopSells [dot] com to learn more.
