About Us: POP YACHTS SALES
Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Title: 1983 Morgan 45-4 for
speed on the water. Needs
TLC!

Country: United States

City: Tracy's Landing

Built: 1983

Description: Stock #398769 -

1983 Morgan 45-4 for speed on the water. Needs
TLC!

1983 Morgan 45-4 - newer Kubota 50HP diesel
motor.
Very few hours on the engine.

THIS MORGAN HAS A BOW THRUSTER AND
WINDEX WIND INDICATOR.

IN MAST FURLING SYSTEM:

In-mast furling is a system that allows a mainsail to
be furled inside a boat's mast. The sail wraps around
a tube inside a hollow mast, and can be unfurled
with an outhaul line and furled back in with an
inhaul line

A newer chart plotter is on board as well as an SSB
radio.

There are 2 fuel tanks - port is 30 gallon and starboard is 45 gallons.

The boat has a main sail and two genoas: 135 and 115 and all are in good condition.

There is minor work to be done on the cork decking.

Overall this is a classic Morgan 45-4 to get out on the water and enjoy comfortable nights on the water.

TWO BERTHS, TWO A/C"s with reverse heat,
LUGGER GENSET FOR TOTAL COMFORT.

The three closets are cedar lined.

Enjoy meal prep in the galley with a CNG Range/Oven with 2 @30lb tanks. Stock up in the refrigerator/freezer and storage areas.

That being said - take a look at this beauty. Imagine with some TLC you'll have heads turning when you get out on the water.

MASTHEAD SLOOP IDEALLY A COASTAL CRUISER

This masthead sloop designed by Nelson/Marek is a moderate weight sailboat which is a good performer. It is very stable / stiff and has a good righting capability if capsized. It is best suited as a coastal cruiser.

FIN KEELED WITH SPADE RUDDER

The rudder is aa fin with spade rudder meaning the rudder post inside the rudder can be moved aft from the leading edge so that the force of the water is not all on one side when the rudder is turned

This requires less energy to steer than with a keel- or skeg-mounted rudder.

A true sailor's sailboat for a great day into night or

day into months of sailing and exploring.

TRUE COMFORT THROUGHOUT.

The Morgan 45-4 would make a great liveaboard for cruising long term.

Note the main saloon area. There is a a wide dinette with settee double berth and settee single berth. Enjoy entertaining up to 7 people.

The galley has deep double sinks with hot and cold pressure water and a front load refrigerator in a 10-cubic foot icebox.

Enjoy plenty of space and consider the extra room for a couple of guests. Two staterooms and two full heads!

YES THE BOAT HAS GENSET & A/C - TWO IN FACT!

We are looking for people all over the country who share our love for boats. If you have a passion for our product and like the idea of working from home, please visit [Careers \[dot\] PopSells \[dot\] com](#) to learn more.

This listing is new to market. Any reasonable offer may be accepted. Submit an offer today!
