Additional information

Description

Stock #393385 - Robalo deep-V center console with Garmin touchscreen, autopilot and radar! Large bow seating and a privacy compartment with head! Go offshore or cruise the islands all season long! This Robalo R260 is an impressive deep-V, large format Center Console and it is available for sale in North Florida! The smart design of this R260 incorporates offshore fishing capabilities with room for 12 riders in its comfortable seating. Take the crew fishing in the mornings and bring family and guests to the islands and sandbars in the afternoons. This great boat can do it all. For the Captain, the helm is outfitted with a 16\" Garmin touchscreen and a Humminbird Helix 9, each connected to its own transducers. The Captain has radar, autopilot, trim tab controls, windlass control, and VHF communications, all installed so you don't have to. The double-wide Captain's chair has storage behind the seatback and rod holders on the back. More rod holders and rocket launchers surround the deck. The gunnels are high on this model which enables both under-gunnel rod storage and gunnel compartment storage on both sides. Tackle storage is in the gunnel on the port side as well. A prep station is built into the stern next to a large baitwell. The boat's large fish box is in the forward deck and has a macerator. The boat is powered by twin Yamaha 250 HP engines with Yamaha digital gauges. The Minn Kota Riptide trolling motor has i-Pilot functionality remote control. The Magic Tilt aluminum tandem-axle trailer is included in the boat sale as well as a full storage cover, a forward console cover, a helm panel cover, and engine covers. Don't let this one get away! Call or email with questions, or make offer to hold the Robalo! We are looking for people all over the country who share our love for boats.
