The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. Awesome 2006 Skeeter for sale in Texas. Low
hours! Very nice!

This 2006 Skeeter ZX200 is a 19' 5" bass boat
located in Forney, Texas.

Powered by a Yamaha 200 HP outboard, you will be
able to get on plane quickly and have enough speed
to make it to your favorite spot on the water in
record time!

A dual console model, this boat gives great
protection from the wind for both driver and
passenger, and the Skeeter hull is known for being a
very dry boat, even in bigger water.

Nice electronics including a very modern Garmin
GPS unit with downscan located on the front deck
and a later-model Minn Kota Fortrex trolling motor
get the job done when you want to zero in on just the
right spot to fish.

With large live wells and plenty of rod storage, this is definitely a tournament-capable boat at a great price point.

If you are ready to get to your favorite spot to fish, this Skeeter is ready for your day on the lake!
