Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

2016 ROBALO 242. Many recent upgrades. Ready for the water.

This is a gorgeous 2016 Robalo R242 that has been maintained and updated. The boat spent its first 5 years in fresh water in Michigan.

This is a great boat for the serious angler, as well as for family outings and days just cruising the Intercoastal.

The 300 HP Yamaha 4.2L motor has been recently serviced and the lower unit and prop were replaced. She only has 563 hours on her, and is ready to hit the water!

You'll appreciate the dual 12\" Garmin GPS systems with dual transducers when you're out looking for fish, and this boat even has an autopilot for those long days on the water. There are two live wells, and a full tackle center, along with plenty of rod storage

under the gunnel and plenty of room for fishing when you fold up the stern seating.

There is a head with pump-out, so you'll be able to stay on the water longer with your family, and the windlass makes it easy to anchor when you're ready to relax. And this boat will comfortably seat 12 people.

The sound system has Wet Sound speakers that sound fantastic, and there is a great table that can be set up in the front of the boat for having drinks or food, and also a second table that fits in the rod holders that can be set up as a bar area. The seating in the front of the boat has backrests so you can sit looking forward while enjoying the ride on the water.

The Seadek flooring has been well maintained. This boat also comes with a custom full boat cover.

Come see this beauty for yourself!
