Think of the Chaparral 225 SSi, an impressive boat.

It has a unique design that creates a spacious forward cockpit, and the Chaparral 225 SSi model offers a sleeping cabin and a nicely-hidden porta-potty toilet underneath the sofa cushions.

The cockpit is well-equipped for a fun weekend on board, with sun-bed rear sofas, a starboard locker sink, a removable table, and a significant hold between the chairs that will allow you to organize everything efficiently.

And, the Volvo Penta 300 V8 engine provides plenty of power, making the boat fly on the water at more

than 47 knots, which is impressive!
