Description

Stock #359092 - 2012 Cobalt boat, well maintained, Ready to Hit the Water! Always stored indoors! Looking for a great bowrider for family fun on the water? Look no further than this 2012 Cobalt 276. This model is perfect for your family and will get you up and on plane quickly and smoothly. It has great features that your family will enjoy like the 3 insulated coolers that are great for entertaining or for a quick drink on the go. Luxurious seating throughout makes for a comfortable and relaxing day while you and your guests enjoy the day on the water. In the bow, you will enjoy the roomy seating. There are many features in the bow of the boat that will make every ride a great one - like the grab rails, and stainless steel cupholders throughout. The bow has an insert that turns the entire bow area into a SunPad - great for catching rays! This boat has deep storage compartments and two coolers on each side. At the bow of the boat is a deep anchor storage locker that is lined so you don't have to worry about damaging the gel coat with the anchor. The two stereo speakers at the bow of the boat provide great sounds of your favorite music for a fun day on the water! At the helm you will enjoy the captain's chair with bolster, a well-appointed helm with clear gauges. Place your items in the storage compartment to the left of the tilt steering wheel. Listen to your favorite songs on the water using the remote-controlled stereo. The wind door is great for keeping the cool air off of you and will make your drive more enjoyable as you hit high speeds on a windy day. Nice features in the observer's area are the deep glove box and the mounted radio that is protected from the weather. The observer's seat can be turned around to face the water - a nice feature for water sports. Your passengers will sit comfortably on the U-shaped lounge in the stern of the boat with cushioned seating. The seats at the stern of the boat can face either direction. The deep cooler at the back of the boat is a great feature and so is the wet dry storage compartment and built-in trash can compartment. When you're ready to swim, the integrated swim platform makes for a quick entry into the water located at the stern of the boat. The flip-down swim step/platform makes getting back in the boat easy! Get a break from the sun on a hot day with the black bimini top. The snap-down bow and cockpit cover to keep the interior of the boat out of the weather as well. This boat is powered by the Volvo Penta inboard/outboard engine with 400 horsepower that delivers torque to get you

going and is great for skiing and tubing. This boat has the Hydraulic Lift for the Engine Compartment Hatch which makes access to the engine fast and easy!
