Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. 35' racer/cruiser, powered by a 21 HP universal
diesel motor. Could make a nice Live-Aboard.

The O'Day 35 Is the 34 but has an extended stern
platform and ladder, two cabins, and could make a
nice live aboard. The seller is the second owner and
has owned it since 2001. They have sailed the boat
on a local 10,000-acre freshwater lake.

Based on the information provided, the previous
owner has sailed to the Islands, added air
conditioning and converted one of the two ice boxes
into a refrigerator.

The head has a shower and flushable toilet.

You can accommodate 6 to 8 overnight guests with
the two convertible settees and the aft berth.

The bow has an anchor locker with anchor and a spare anchor is included. There are cockpit cushions, a dodger, bimini, and full canvas cockpit enclosure.

The sails are original and have been refurbished once in 2002. They are stiff and well-suited for lake sailing. If it is your intent to race or island hop, you may want to replace them.
