Description

Stock #349545 - 1994 Carver 390 Aft Cabin Freshwater - Georgia Lake - Air conditioning! This Carver is in great condition - powered by twin Crusader 454 XLs - with low hours, has a 6.5kW Kohler Genset in a sound dampening box - very quiet - and a 4 string battery fed Inverter that can power everything but the AC unit when on the water! The Carver 390 Aft Cabin is a great lake boat - has nice lines and styling from top to bottom. The aft deck and large swim platform and hard top provide another nice living space for enjoying the great lake views and a cool one while grilling your favorite meal or enjoying the company of your family and friends. The upper helm has ample seating space for everyone to enjoy a cruise on the lake, and there is a large bow space that can be used with a bow cushion for catching rays. There is a large bow rail and this model has the bow pulpit with windlass and spotlight. The vessel is equipped with electronics and has new gauges that are clear and easy to read. The Furuno Radar dome, Garmin 2006c GPS & Chartplotter, Raymarine DS500X fishfinder and depth sounder, VHF radio, and Furion Stereo System keep the tunes playing strong all day long. As you head through the smoked glass companionway into the main salon - you are impressed with the beautiful teak wood and cabinetry throughout the cabin. The L-Shaped sofa can be converted into additional sleeping space if desired. The dinette can also be converted into a sleeping area providing sleeping for up to 8. The lower helm is to the Starboard side of the salon, the control panel is behind a smoked glass door that allows you to see any alarms through it. The shelf behind the control panel has a Roku TV and the galley is down a couple of steps. The galley has 2 microwaves, a 3-burner stove and oven, a kitchen sink, and a residential refrigerator. Cabinets provide plenty of storage space thorough-out the galley area. The forward head is to the starboard side prior to entering the forward stateroom. This V-berth provides a great place for a quiet night on the lake. The master stateroom also known as the Captain's Quarters can be entered directly from the aft deck, or from the main salon by going down a couple of steps. There is more storage on the starboard side of the vessel as you head into the master's quarters. The full head with a large walk-in shower with a seat plus a large bathroom sink with cabinets for storage space. The head

is to the right when you walk in. The teak woodwork is lovely and makes this space rich and warm at the same time. The bed and additional hanging locker closet space are on either side of the wall-mounted TV. The engine compartment is accessed via floor panels in the floor of the main salon. The Crusader 454 XL closed cooling engines are in good condition with low hours. The 6.5kW Kohler generator is in a sound-dampening box and is also in excellent condition with low hours as well. The bilge and the entire engine compartment are clean and well-maintained.
