Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Description: Stock #318532 -

This vessel was SOLD on June 13.

When the weather gets bad keep on fishing in this incredible rugged custom fishing machine!

Coming to you with zero hours on the commercial 300 Yamaha this is built to take what the elements can throw at it. Beefy 6MM aluminum hull and a tank-like enclosure to keep the cold and weather at bay so you can keep on fishing.

The comfortable interior has room to relax when needed and great visibility all around to keep track of what's happening outside.

This is a custom one-off design by the current owner so you are unlikely to ever see another one like it. The next owner will need to add their favorite electronics package to finish off the build and get

out on the water.

She is a great-looking rugged vessel if this is your style don't wait make your offer today!!
