Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Description: Stock #414598 -

2015 Striper 200 powered by Yamaha 200 hp and
trailer available!

This is a great fishing machine, but also perfect for a
day of relaxing on the Bay or a trip up to the Delta.

The cuddy cabin is very roomy and will
accommodate two adults. Inside the cabin you will
find very comfortable seats that make into a full-size
bed along with a sink, refrigerator, and toilet.

Now, back to fishing.

Stripers are known for their hull design, sturdiness,
and overall functionality. They are built with ocean
fishing in mind and can handle a bit of rough water
when necessary.

This Striper is well equipped with a 200hp Yamaha
4-Stroke outboard motor with only 200 hours along
with a trolling 6hp motor that is condoled at the

helm through the remote troll system.

The boat is well equipped for fishing with a Hummingbird GPS/Fish Finder, Electric Down Riggers, multiple pole holders, a live well, and built in fish lockers on the deck.

This boat is ready for action, so don't hesitate to request a personal showing.
