The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. 2016 sea Hunt Gamefish 27 with Magic Tilt trailer
and twin Yamaha 150's

This is one great fishing machine. This Sea Hunt
Center Console has everything you need to go as far
and fast as you need to for a great day of fishing.

The boat is large and well laid out. No worries about
bumping into your crew when you have multiple
hook-ups.

It has a large anchor and windless if you are in the
bay. But if you want to get out on open water, you
will get there as fast as the seas allow with the twin
Yamaha 150's.

Bolsters line the cockpit saving wear and tear on
your knees.

Three built-in live wells will keep your bait fresh.

Lots of gear storage and pole holders under the gunwale and multiple pole holders strategically placed around the perimeter of the boat.

Getting there and finding the fish will be aided by ample electronics. The deep flare of the forward hull at the Bow will keep you dry when up on plane.

This boat is perfect for the fishing enthusiast.

It is also a fine sturdy and very safe boat to take the family and guests on a Bay Cruise.
