About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

POPULAR LARSON ESCAPE 25 TTT TRITOON.
YAMAHA 200 HP ENGINE. READY TO GO!

Stand out from the crowd with this great looking
Larson Escape 25 TTT!

TTT stands for Triple Toon or Tri-Toon !

****Only 40 hours on the Yamaha 200!**

Step aboard for a great day on the water.

There are 4 boarding access points for this boat:
Bow, stern, port, and starboard sides.

A nice reboarding ladder at the stern and a pull-out
sprayer to rinse off. There is also a great looking tow
sports tower over the engine.

To port is an aft facing lounge. To starboard is a unique power lift changing room equipped with a porta-potty.

The helm is well arranged with a high back captain's chair. All gauges are within easy reach and view, and the helm includes a Lowrance unit, and stereo controls.

There is storage below each lounge as well as forward of the helm. There is also a large in-deck ski locker.

Forward are two nice lounges with a great looking cockpit table. Relax under the large bimini top.

There is also a mooring cover included with the boat.

The manufacturer states, \"tapered tube technology features three 27-inch-wide tubes with reverse chines for greater lift and outside hull chamfer to enhance cornering. Combined with a center tube that sits 4 inches deeper than the outer two, the design lends itself to a V-hull-like performance. The tubes are also welded to create a unified hull, adding structural integrity is a stringer system inside each tube, with six internal bulkheads per tube.

**** Recently detailed and fresh bottom paint and
READY FOR FUN !!**
