The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. A great family boat.

Description: Stock #371873 -

Popular design and layout! Easy to maneuver! A
great family boat.

The seventeen-foot Bayliner Element features the
intelligently designed M-shaped hull which is
configured to reduce the roll and pitch common with
this size boat. The stable hull is a great platform for
this seven-seater bowrider.

Nice layout with ample storage and comfortable
seating. Swim platforms are on both rear sides of the
vessel and there are rear-facing seats for managing
watersports, or to keep an eye on young swimmers.
Wrap-around seating in the cockpit can be used for
sunbathing.

Convenient size matters, and this rig can be pulled to
the ramp with even a modest-sized SUV.
