Experienced Sales + Customer Service

The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

SALE PENDING 1989 Pacemaker, 33 foot
fishing machine ready to hit your favorite fishing
spot!

This 33 Pacemaker is a timeless classic. It is set up
for fishing, cruising or can be used as a liveaboard.
The current slip is transferrable, but not for
liveaboards. The wide beam makes this a stable
platform, providing plenty of room in the cockpit
and cabin. The boat has a large walkaround to the
foredeck. There are two large cushions that make a
nice sun-pad.

The cockpit is amply sized with rod holders on the
gunnels and two in-deck fish boxes. There are long
spreader outriggers for trolling. An extended shade
cover keeps you cool while fishing or relaxing on
deck.

The flybridge has a great view. There are two swivel

seats and seating forward for your guests.

Step into the clean cabin and immediately you notice the beautiful hardwood floor. There is a comfortable green chair a white sofa and a large dinette that converts to a berth. The seller had the interior cushions replaced and protects them well. The galley is a nice size with a newer refrigerator.

Step down the cabin and to the right, there is the large head, with a full-sized vanity and makeup mirror. The master stateroom is large with enough room to step on each side of the bed. The seller states he has new custom sheets for the bed. There is plenty of storage and hanging lockers. A private entrance to the head is a very convenient feature.

*****CONDITION OF VESSEL*****

The boat looks to be in good working order. The seller states it runs great and can be taken out at any time.

The seller states the gauges and electronics are in working order except for the autopilot.

The cockpit deck has some normal crazing of the gel coat. The gunnel covering boards could be refinished. There is some slight wood rot under the overhang. The swim platform was solid and looked in good condition.

The exterior gel coat looked in good overall condition for its age. The gel coat was coated with Poli-glow and could use a new coat to make the boat nice and shiny. The exterior teak needs to be refinished.

The cabin was clean and odor-free. The door opened fine, the windows open with no issues. No signs of water intrusion were present. The blinds and headliner are original and show normal wear-and-tear. The cushions, floor and interior wood look to be in great condition.

The head was clean and odor-free. The master stateroom was clean, the seller stated the hatch was recently replaced.

Below deck, the engines show corrosion and the bilge could use a cleaning. The seller discloses the generator is in need of repair.
