About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Title: Don't miss this beauty
where Luxury and
Performance Unite!
Immaculate 2021 Four
Winns

Country: United States

City: Algonac

Built: 2021

Description: Stock #414261 -

Don't miss this beauty where Luxury and
Performance Unite! Immaculate 2021 Four Winns
Horizon H350 - Only 108 Hours!

The 2021 Four Winns H350 is a luxury bowrider
option with plenty of seating options for a large
crew, twin Mercruiser 6.2L engines with DTS and
Skyhook control system for smooth power and
control, and a mid-cabin area with a head, settee and
berth for overnighting.

The helm is ergonomically designed with a pair of
Simrad monitors with digital instrumentation, chart,
scan, and navigation features to display.

An array of easy-to-read switches on the left side of
the dash make it easy to operate the H350's
functions like the power engine hatch lift, windlass,

underwater lights, and power sun shade.

To the right of the steering wheel is controls for the hardtop mounted searchlight.

The twin Mercruiser 6.2L engines are digitally controlled (DTS) with a joystick control for docking maneuverability, and the Skyhook system allows you to \"hold\" your position.

There are dual helm bolster seats to starboard. The captain's seat is power adjustable, and the companion seat can be turned to face the cockpit.

A pair of bolster passengers seats are found to port and they can be turned to face the cockpit also.

A sliding hatch in front of passenger seats slides open and leads to the enclosed head with toilet. On the starboard side you'll find a mid-cabin area with a settee that converts into berth.

The cockpit is configured with a galley on the starboard side complete with a built-in grill, a refrigerator, a sink, and cabinet storage with waste basket.

Opposite the cockpit galley is an L-shaped lounge seat with a removable cockpit table. There is storage beneath the seat bottom as well as the battery switches.

The aft bench seat has a power seat back that can be moved forward and aft at the touch of a button. When the seat back is adjusted to expose the rear sun pad you can also raise a portion of the seat to support your knees.

The hardtop provides protection from the elements but also is equipped with a manual sunroof that can be pulled open. There is also a power awning that can be extended aft to provide additional shade. A pair of can speakers are also mounted to the aft portion of the hardtop.

The bow seating is plush and the two forward facing seats have an armrest. There is a rear facing seat with storage below.

With the pull of a release tab the windlass, windlass control, and washdown is revealed for access.

The entire cockpit and bow area have snap in sea-grass flooring.

The teak swim platform is extended and makes for a wonderful place to hang out while anchoring. The underwater lights will add an exciting element at night.
