Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

The 2018 Pathfinder 2600 HPS (High Performance
Step) is a versatile and stylish bay boat designed for
both serious anglers and recreational boaters.

The Pathfinder 2600 HPS measures 26 feet 2 inches
in length, with a generous beam width providing
stability and deck space for fishing and cruising.

The hull design incorporates a stepped bottom,
which enhances performance by reducing drag and
increasing efficiency. This allows for faster speeds
and improved fuel economy.

Constructed with quality materials, including
fiberglass, the Pathfinder 2600 HPS is built to

withstand the rigors of saltwater environments.

The deck layout is optimized for fishing, with plenty of storage compartments, rod holders, and fish boxes. There's seating for passengers, including cushioned seating at the bow and stern, as well as comfortable helm seating for the captain.

The console is ergonomically designed for easy access to controls and electronics.

The Pathfinder 2600 HPS is powered a Mercury Racing 400 outboard engine, providing big horsepower for quick acceleration and efficient cruising. With its stepped hull design, it's capable of reaching impressive speeds while maintaining stability and control.

Anglers will appreciate the boat's fishability, with features like a spacious casting deck, live wells, rod storage, and a trolling motor. Whether you're targeting inshore species or venturing offshore, the Pathfinder 2600 HPS is well-equipped for a wide range of fishing scenarios.

In addition to its fishing amenities, the Pathfinder 2600 HPS offers comfort and convenience features...marine-grade stereo system, integrated cup holders, and a T-top for shade on sunny days.

Overall, the 2018 Pathfinder 2600 HPS combines performance, functionality, and style, making it a popular choice among boaters who demand versatility and reliability on the water.
