Built:	2004

Additional information

Description

Stock #400472 - 310I center console repowered with Cummins QSC 8.3 turbo diesel in 2012! This SeaVee 310I Center Console is built for big water - it is extremely seaworthy and is loaded with tons of upgrades including a newer 24-inch Garmin 8624, a Fantom Radar Dome and fuel tanks and delivery system. The boat is powered by a Cummins QSC 8.3 turbo diesel. Per the seller, the diesel engine is perfectly tuned to raise fish and is super efficient. In optimal conditions, it gets nearly 2 miles per gallon. With a forward cabin, you have plenty of storage space but still have 360 degree fishing! The hard top provides a break from the sun. The helm has a new Auto Pilot--electronics already mentioned. Plus, the boat is equipped with a Bow Thruster. The boat has been rewired with a NEMA 2000 wiring harness with organized cable trays. Everything is clearly labeled and all new ground wiring and terminations are throughout the boat. If you are looking for a serious fishing machine - look no further - you will want to check this one out! Contact me with any questions or to schedule an appointment to see this one in person! This listing has now been on the market a couple months. Please submit any and all offers today! At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market.
