Titre:	2011 Skeeter FX21 Well Maintained! boat with Dual
Built:	2011

Additional information

Description

Stock #397440 - 2011 Skeeter FX21 Well Maintained! boat with Dual 1042xsv GarminThis 2011 Skeeter FX21 is in excellent condition both inside and out, and it's incredibly fast. The Yamaha 250 HP four-stroke engine is economical and quiet and provides enough power to take you wherever you want to go on the lake, reaching speeds up to 70 miles per hour. When locked into the captain's chair, a hot foot pedal or hand throttle adds more control when navigating the lake. Once you reach your fishing spot, you'll find a nice Live Scope fish finder/GPS/Depth gauge on the control panel and one on the boat's bow near the front seat. This is great for fishing enthusiasts. Two power poles on the aft of the boat keep the boat steady in one spot in waters ten feet or less. The storage on this boat is great, with storage on each side of the live wells and rod and tackle storage in the bow. There are also two coolers in the aft, a small one near the passenger seat, and a dry box for wallets, sunscreen, etc. The trolling motor on the boat's bow also provides 112 pounds of thrust, making it easier to access tight spots, especially with this Skeeter's shallow draft. This 2011 Skeeter FX21 has a low profile and looks great on the lake while transported on its original trailer, which is equipped with momentum brakes. This listing has now been on the market a couple months. Please submit any and all offers today! Reason for selling is not using enough. At Pop Yachts, we will always provide you with a TRUE representation of every vessel we market. We encourage all buyers to schedule a survey for an independent analysis.
