About Us: POP YACHTS SALES
Experienced Sales + Customer Service
The key...great customer service. We love the marine industry and one of our core missions is to help raise the customer service bar in this industry.

However, the internet has completely transformed the way we do business. While traditional sales principles still very much apply (such as building a solid relationship with the customer, earning their trust, adding value, customer qualification, etc), how you get there is now very different. It used to be that a customer valued a solid handshake and an honest smile. In a traditional face to face environment, skilled salespeople could qualify a customer based on body language, personality type, etc. In today's internet age, many buyer

Description: Stock #396209 -

Well-Maintained, 1997 Sea Ray 330 Sundancer
Powered by Twin Mercruisers

Looking for a 33 foot Express Cruiser with room to enjoy the lake with family and friends? Look no further, this 1997 Sea Ray 330 Sundancer is loaded with features you don't normally see.

A great cockpit area for entertaining - with a large U-shaped seating area behind the Captain's bench - that can quickly be converted into a 4th sleeping area under the stars - or with the full camper enclosure - for extended season use.

Twin Mercruiser V8 gas engines power the boat with V-drives that have lots of life left! The boat has shore power and a 10K BTU marine HVAC system that keeps the cabin cool on the hottest of days. The Westerbeke 4.5kW Generator will provide power to run all of the boat systems when on the water and

quickly switches over to shore power when back at the dock. The boat is also equipped with Hydraulic Trim Tabs with controls at the helm.

The large flat screen TVs are great for entertaining - and watching your favorite team or movies. The stereo system provides great music as well.

The helm is equipped with all the necessary gauges - clear and readable - and the Raymarine Radar and GPS / Chartplotter system is fully functional and color display is easy to read.

The cockpit ice box works and keeps drinks nice and cold and easily reached when needed. The cockpit sink and storage compartments are easily accessible too.

The bow area has a sun pad - great for catching rays and the boat is equipped with a windlass anchor - with controls at the helm or at the bow (pads). The windshield has a window for allowing air flow to the helm and cockpit. The large Bimini top and Isinglass / Full Camper Enclosure - (not shown in photos - but are located in the dock box, and are in great condition).

Down below the large V-berth and Galley provide lots of seating and room to enjoy when you need to take a break or fix a meal for the group - you have everything you need to do so - sink, microwave, 2 burner electric stove top, refrigerator with freezer compartment - plenty of storage space and of course the head - with shower, sink and toilet. The dining area quickly converts into a 3rd sleeping area and the aft cabin is below the cockpit above - so total sleeping down below for up to six and with the cockpit sleeper above - up to eight people.

Don't hesitate to contact me with any questions or to schedule an appointment to see this one in person - you won't be disappointed!

This listing has now been on the market 30 days. If you are thinking of making an offer, go ahead and

submit it today! Let's make a deal!
