Built:	2000

Additional information

Description

Stock #392975 - ***SALE PENDING*** 2000 Fountain 29' Fever! Clean, Mean, Fast and Ready to GO! The 2000 Fountain 29 Fever is said to be the kind of performance boat that can spoil the go-fast enthusiast. The single-step keel 23-degree deep-V bottom with its modified V-pad keel, notched transom, and four strakes provide excellent performance. Coupled with the MerCruiser 500 EFI engine you are ready to push the throttle forward and get your heart pumping! The Fountain 29 Fever has Gaffrig gauges laid out around the steering wheel for clear and easy viewing. The gauges included fuel, engine temp, water pressure, tachometer, and depth. There are mechanical indicators provided for the drive and tabs positions. The cockpit housed a pair of bolster seats with power drop-downs at the helm and passenger area. The passenger transom seating was deep with storage beneath the seat bench. The aft sun pad, with its French-stitched checkered flag design, is also the engine hatch. The engine hatch opens electronically with the push of a button. The cabin area contains a V-berth with a privacy curtain. Just inside the cabin entry to the port is a built-in drainable cooler, a sink, and cabinet storage. You'll also find the stereo head unit and light switches. There is a settee located on the starboard side. This Fountain comes with a full boat cover as well as a cockpit cover. This listing has now been on the market a couple months.
